

The Ultra Series TV brackets feature a heavy duty steel construction which provides extra strength and durability, whilst maintaining a minimalist ultra slim design.

This feature packed range of brackets are latest in design with specific details such as:

1. *Built in Spirit Level: Assures your installation is perfectly straight.*
2. *Automatic Spring Locks with Quick Release Cords: Easy installation, only takes seconds.*
3. *Extra Levelling Adjustments: Added levelling after installation.*
4. *Magnetic Cord Ends: Hide the cords seamlessly.*
5. *Decorative Covers: Pleasing to the eye from every angle.*
6. *Tool-free Tilting: Easily adjust the angle of your TV by +4°/-10°*

| Model | TV Size | Max VESA | Max Weight | Profile | Tilt |
|-------|---------|----------|-------------|---------|----------|
