System Overview

Enhance your building's security with our upcoming WiFi IP Door Station: the DHI-VTO2311R-WP. This cutting-edge IP WiFi video intercom system distinguishes itself from previous iterations of VTOs with its ultra slim form factor and enhanced functionality. It features a high-resolution 2MP camera and two-way audio communication, an IP65 ingress protection rating, and an integrated IC card reader to ensure that it works in all weather conditions and for any situation.
